## THE PINE TREE HYMN

How tall the pines are standing,  
How tall they brush the sky.  
How deep beneath the grasses  
Their rooted anchors lie.  
So may we in our springtime  
Lay hold on verity.  
So may we seek at morning break  
The truth that maketh free.

How proud the pines are standing,  
How proud their plumed heads.  
How unashamed and lordly  
Each crest of power spreads.  
So may we in their shadows  
In linked freedom stand,  
Each soul alone to seek its own  
Each comrad hand in hand.

How still the pines are standing  
How sure they are and still.  
How each in steadfast gladness  
Works out a hidden will.  
So may our loves and labors  
In wise allegiance free  
Turn loss and gain and sun and rain  
To beauty like a tree.

# President of the College

Much of the joy of living comes from the thrills and satisfactions of the present. It would seem that the school year of 1954-55 has an unusually large number of these satisfactions and enjoyable instances. To begin with, our student body showed an appreciable increase in number. This gave us the opportunity to know, work with, and enjoy a much larger number of fine young men and women. Then the attitudes and spirit of the students and faculty have been unusually fine. This has added a fine zest and wholesome enthusiasm to our daily living that has meant much. Further, teachers report much good student learning, and students report much excellent teaching. So 1954-55 is and has been a good year in which to live, and work, and play at Stephen F. Austin State College.

Probably the most regretted part of the year is the realization that some will be leaving the College during or at the end of the year. This, of course, is normal, and to be expected. Nevertheless, we do hate to see them go, and yet we want them to know that at all times, wherever they may be, they carry the best wishes of S. F. A.

To all, we say that it has been good to have had you with us, and we hope that your stay has been profitable and pleasant. It is our hope that the future holds for each of you a life of full rewards for hard, conscientious, intelligent work, a life endowed with joy, hope, satisfactions, respect, success and love.

# Ghost Of a Chance

"Ghost of a Chance" was a fast-moving, three-act comedy that provided all who attended some very unusual entertainment. It had a strong and well-balanced cast under the direction of Dr. Robert Capel. The Nacogdoches Lions Club was in charge of ticket sales. All proceeds went to the Lions Club charity fund.

Those included in the cast were: Minnie Irish as

Agatha; Betty Miller and Fred Salmons as Mr. and Mrs. Arthur Hale; Mary Witworth and Harry Brown as Amy and Andy Fitzgerald; Sue Glasgow as Polly Vickers; Raymon Glasgow and Beth Ellis as Mr. and Mrs. Fred Ralston; Woody Gann as Frank Orr; Rosa Castleberry as Opal Freeze; Jack Wilbanks as the taxi driver; and Charlsie Conerly as the messenger from the stars.

## Ex-Students Association

Since its organization in 1928, the Stephen F. Austin Ex-Students Association has maintained the standards of encouraging good fellowship and loyalty among former students of this institution and to promote the general interests of our college.

The Ex-Students Association maintains an office at the college to obtain information and requests. It is the desire of the Association that each student feel free to call upon this office for service while he is off the campus and to make it his headquarters when visiting his Alma Mater.

# 1954 Co-Captains

## JOHNNY LINNEY

Football has played a great part in the lives of the co-captains. Both have chosen a career in coaching upon graduation. It has been a goal for both of them since they were old enough to know what they wanted in life.

The "football bug" began working on Johnny in Houston where his football career began officially. From James Deady Junior High School, after earning two letters, he moved to Longview Senior High School. His high school carried him through three "average" seasons which were climaxed by three letters, team captain, and second team all-district in 1950. Johnny played well from his quarterback position and was selected to play in the All-Star game in Tyler. This led to a scholarship at Tyler Junior College where he began his college education.

The climax of Johnny's Junior College career was the trip to Pasadena, California, for the National Junior Rose Bowl game with Pasadena City College. Johnny returned to Texas to learn he had been chosen to the Little All-American team as No. 1 quarterback. He was also selected to the first-team Big Six All-Conference team, and the first-team All-Texas Junior College Offensive team. The Apaches chose him as a co-captain, and to receive the "Most Conscientious Player Trophy" for 1951.

In three years as Lumberjack quarterback, Johnny has compiled an outstanding record with a .592 passing average. The climax to his college and football career found him being chosen as co-captain and receiving the Ralph Todd Memorial Award as Outstanding Lumberjack Athlete for 1954.

## JAMES SIMMONS

James began his football career as a freshman in Nacogdoches High School where he lettered for four years as a Tackle. There he was chosen as team captain and to the first-team All-District his senior year.

James began his college education at Texas University where he played football as a freshman. From there he transferred to Del Mar Junior College at Corpus Christi where he played varsity ball for one year. He then returned to Nacogdoches and Stephen F. Austin to letter one year in 1950 before entering the Air Force.

James could not leave football alone, so he joined the Burtonwood, England, "Bullets" where he received much fame at the Guard slot. He was team captain for his three years with the "Bullets". In 1952 and 1953, James played before the King of Ireland when the "Bullets" went to the All-European championship finals in Wembley Stadium, London, the largest stadium in the world. James had many honors come his way during his service career. He was chosen to the All-United Kingdom service team for three years, the All-European service team in 1953, and the All-Service team in the same year. In 1952, he was awarded the "Outstanding Base Athlete Trophy."

James returned to the U. S. and Texas where he joined the Lumberjacks for one of their most successful seasons in the school's history. At SFA, James added to his string of honors the election to second-team All-Conference and second-team All-Texas.

Johnny and James love the game for everything it means. They have played the game and played it well, along with other fine boys. As representatives of the 1954 Lumberjacks, they capably fill their jobs as Co-Captains.

Johnny Linney receives Ralph Todd Award for outstanding athlete at SFA.

## Seasons Resume

The Lumberjacks opened the 1954 season by walloping the McNeese Cowboys 40 - 13, as Jimmy Murphy started things rolling by blocking a McNeese punt. . . . Next the Axemen ripped Austin College 34 - 12 as five different players scored touchdowns. The Kangaroos had previously been undefeated, but they couldn't match the Jacks flow of strength from the bench. . . . The first Conference game saw the Jacks defeat Lamar in a thriller, 20-7. Barbin and Dinges turned in several dazzling runs and Marshall broke up two Lamar touchdown drives in the second half. . . . Win No. 4 came as the Axemen rolled over Texas Lutheran 33-6. Linney, Barbin, and Marshall again spearheaded the attack as the Jacks gained 292 yards. . . . The Jacks saw their undefeated record come to an end as they lost a tough one to Southwest Texas 7-6. Although Simmons missed the tying extra point, he turned in an outstanding performance from start to finish. . . . The second conference win came as the Jacks jumped the A & I Javelinas 14-7. Although the score was close, the Jacks had control of the game practically all of the time. Linney completed two thrilling passes and Marshall turned in a brilliant 38 yard touchdown run with excellent blocking by Joe Angell. . . . Next

the Jacks used a hard driving ground attack to humble the Sul Ross Lobos 40-14. The Jacks gained 384 yards as Hendrix accounted for 176 of these in 10 carries. The Jacks used 39 men in this game. . . . A leaky pass defense got the best of the Jacks on Homecoming Day as they lost a heart-breaker to the East Texas Lions 25-21. East Texas rallied for two touchdowns in the third quarter to come from behind to win. Hendrix again received honors in the backfield as he gained 86 yards on 15 carries, and Angell and Flanagan at ends were outstanding for the Jacks. . . . The Axemen finished third in the Lone Star Conference when they bowed to the Sam Houston State College Bearkats 42-25. The Jacks were so hampered by injuries that they were never really in the game. Linney was the bright spot for the Jacks as he finished out a brilliant college career. He carried the ball only six times but gained 74 yards. . . . In spite of the fact that the Jacks finished second in the conference race they remained at the top in Seasons Standings.

Edgar and Nancy

Duane and "Re"

Following in the traditions of past SFA Cheerleaders, the cheerleaders of 1954-1955 served as the spark-plug for school spirit. These students stuck with the Jacks through good and bad times at all the athletic contests. Leading the student body; they supported the teams with their cheers and shouts of encouragement.

Serving as cheerleaders were: Nancy Agan, Sue

Beard, Edithmarie Erickson, Duane Stevens, Delwyn Davis, and Edgar Dorsett. Edgar served as head yell-leader. Smartly outfitted in white shirts, trimmed in purple with purple lettering "Lumberjacks" on the back, and purple skirts and trousers, the yell-leaders added a dash of color as well as enthusiasm to every contest. Serving as sponsor of the cheerleaders was Dr. Lucille Norton.

The Amitie Club was the first women's organization on the S. F. A. campus. Amitie means friendship; and friendliness along with loyalty and good sportsmanship are some of the qualities stressed by the Amitie members.

The school year of 1954-55 was highlighted for the Amities by the Amitie Cocktail Lounge, the Homecoming Tea for the Exes, and the Christmas Dinner Dance with their brother club, the Austinites. Also the Spring Formal and the Mother-Daughter Banquet in the Spring.

Among the honors received by the Amities this year were the Alpha Chi membership of Martha Clinton, Jeannette Broker and Wilma Strickland; and Wilma was elected to Who's Who. Ruth Dean was a duchess in the Homecoming Parade.

Organized in January, 1938, the Royal Order of Austinites was founded for the purpose of sponsoring school projects for the pleasure and benefit of the student body.

The Austinite Club sponsors a varied calendar of activities each year. These activities include dances, picnics, parties, and teams to compete in all intramural sports. Perhaps the most colorful activity is the annual "Pie Night" each spring semester. As a service to the student body, the Austinite Poll periodically gets the student's view point on pertinent questions. The Austinites are always eager to contribute their efforts toward any worth-while project that is of interest to, or for the betterment of the student body and school.

# Fidele Club

Eloise Chambers — *President*, Mary Ann Terry — *Secretary*, Sue Reynolds — *Vice-President*

"For it's Fideles, Fideles, Fideles,

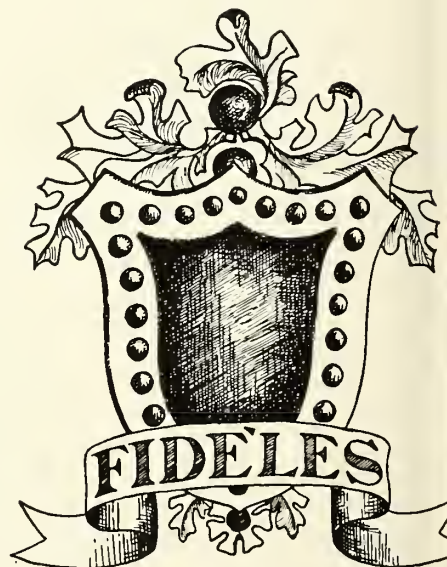

That make you feel so welcome,

On the campus of S. F. A."

The meetings are called to order by Eloise Chambers, with Sue Reynolds as a very able assistant, while Mary Ann Terry acts as Secretary-Treasurer. Shirley Walker keeps the pledges in line; Beverly Linney reports the news; Sue Beard keeps order by collecting nickles; Bobbie Rudd is Historian; and Sammye Walker is Parliamentary. Mrs. Holt Davis' pleasing personality and helpful suggestions keep the club going.

Shirley Walker reigned as Queen of Homecoming, attended by Martha Peters, while Sue Reynolds, Gracie Maranto, Jane Donovan, Anne Benbow, Betty Holland, and Dawn Miller were duchesses. Bobbie Rudd, Tommy Wilson, and Jane Pitts rode the first prize float with the theme, "Our Jacks Are Riding High." Sue Beard and Edithmarie Erickson led the student body in yells. This year Lydia McMullen was Freshman Favorite and Sue Beard was Sophomore Favorite. Eloise Chambers, Shirley Walker, Sue Reynolds, and Sammye Walker were selected members of Who's Who; and Eloise Chambers, Mary Ann Claiborne, Ann Crabtree, Jo Nan Duran, Shirley Walker, and Doris Wilkinson were elected to Alpha Chi membership. Jane Donovan was chosen Sweetheart of the Future Farmers. The Stone Fort was edited by Shirley Walker with the active assistance of Ann Crabtree and Gracie Maranto.

# Forester Club

Don Beck — *President*, Leonard Lea — *Secretary*

There is not a more active and worthwhile social organization on the campus than the Forester Club. This club, always in the lead in any movement that will benefit the school, is composed of boys who are leaders in college activities on all levels. The Foresters are glad that their number is rapidly increasing and they strive to make the club one of the best on the campus. The most unforgettable event of the year for the Foresters is the "Spring Festival" which is sponsored jointly with their splendid sister club, the Fideles. Other annual affairs are the Rushee Party, Homecoming float for the parade, the Halloween Dance, the Christmas Dinner Dance, and the Forester-Fidele picnic. The Foresters are al-

ways among the first to back activities sponsored by the college as a whole. Many of the Foresters are active in other organizations on the campus. The most unusual activity of the Forester Club is its Radio Program. They operate a one hour musical program on Saturday night with Don Beck as announcer.

It is through service and leadership that the Foresters look for bigger and better things to do in the service of S. F. A. You will always find the "Foresters Forever" among those leading the way.

# Pine Burr Club

Mary Liz Rushing — *Secretary*, Pat Swift — *President*, Mary Bridges — *Vice-President*

Clad in tow sacks, the twenty Pine Burr pledges chanted "I want to be a cute Pine Burr . . ." as they pushed peanuts up the Vista for the twenty-fifth year. Besides this unique initiation, other annual events fill the Pine Burr Calendar such as, the Big and Little Sister Dinner, Christmas Dinner Dance, Valentine Dance, Pine Burr-Sawyer Picnic, trip to Galveston, assembly program, a sleeper, and the Senior Dinner Dance.

With all these activities, Pine Burrs have distinguished themselves in other fields such as furnishing Iris Bradberry as a lady-in-waiting to the Homecoming Queen; duchesses in the Queen's court were Jane Ann Woodfin for the Press Club, Mary Bridges for the Senior Class, Sue Nell Ramsey for the Sophomore Class, Betty Sue King for the Rebels, Kathleen Bratton for the Sawyers, and Mary Elizabeth Rushing for the Pine Burrs. The Pine Burrs won third place on their Homecoming float with the theme of "Gem of the Conference." Rebecca Stephens sat in a large oyster shell made of purple and white angel hair, throwing white balloons that represented pearls. Leading the Lumberjack Band was Sue Nell Ramsey as head majorette and Mavis McCauley as majorette and flag bearer carrying the Texas flag was Marilyn Moyers. Iris Bradberry was selected for Who's Who and she also won the Miss Nacogdoches contest during the summer. Several Pine Burr members participated in the school beauty contest.

This has been a wonderful year for the Pine Burrs and for S. F. A.

# Editor's Message

Another edition of the Stone Fort is now in the hands of the Student Body. It has been the sincere desire of the entire staff since September to compile a volume that will serve as a reminder of old familiar scenes and faces and records of your fellow students during the year 1954-55.

The excellent co-operation of the student body, faculty members, administrative staff, and advertisers played an important role in the publication of this book. Sincere thanks for their splendid services are extended to the entire staff; to Miss Elma Heard, sponsor; to Robinson Studio for the pictures; to the Hurley Publishing Company; and to Lawrence Franks. The patience, guidance, and faithfulness of these has made our task a most enjoyable and profitable one.

SHIRLEY WALKER  
Editor

## To Our Advertisers

Our sincere appreciation to all advertisers for their help in making this book available to us. Merchants have found the Stone Fort a good advertising medium which places their names and products in a permanent record. It is an inspiration to see that you are behind us, and we of the college pledge to patronize you as often as possible.
